

REMARKS

Applicant has amended Paragraphs 13 and 14 of the specification to correct a typographical error in each.

The Examiner has rejected Claims 28-29 and 35 under 35 USC 112 for insufficient antecedent basis for "the mixing pan and pump." Claims 28 and 35 have been amended to correct this.

The Examiner has indicated that Claims 70-73 would be allowable if written in independent form. Claim 70 is now written in independent form. Claims 56-69 are now all dependent on Claim 70 rather than rejected Claim 55 so should be allowable.

Rejected Claims 46-55 have been cancelled.

All Claims should now be allowable.

Respectfully,

MALLINCKRODT & MALLINCKRODT
